Waltham Art Windows is a project of the **Downtown Waltham Design Committee**. Funded in part by a grant from the **Waltham Cultural Council**, a local agency that is supported by the Massachusetts Cultural Council, a state agency. Additional funding from **GAPKA, LLC** and **Gordon Properties**. Thanks to Ted Fields, Waltham Planning Department, for mapping assistance. Thanks to Ingrid Schorr for jurying. Thanks to the artists for their participation. Please contact them directly for sales and commissions. Thanks to the many property and business owners who are hosting the art.
